

# Tooth Fairy Treasure Chest

There be some treasure in your mouth that the tooth fairy is seeking. You could make a lot of gold!  
Get creative with this egg-box chest and decorate it to suit your little one.

## What you will need

**Egg box**  
(Without the eggs!)

**Paint**  
(Brown and gold)

**Decoration**  
(Jewels are cool)

**Paintbrush**  
(And some water)

**Glue**  
(Hot glue, superglue, sellotape)

**Cotton wool**  
(Or tissue paper)

Ready? Let's get making...

### Step 1.

Start by painting your egg box brown like wood.

### Step 2.

Next paint the gold details around the lid of your egg box.

### Step 3.

Add jewels or other treasures to the lid of your treasure chest.

### Step 4.

Inside, fill your box with cotton wool - nice and soft to hold your little toothy treasure.

### Step 5.

Place your tooth in the chest, shut it tight and wait for the Pirate Tooth Fairy to make an appearance.

### Step 6.

Take a nap and then the next morning you may find some new treasures of your own!
